

Sydney Swans Sports Scientist & Athletic Development Coach

WHY CHOOSE THE SWANS?

- Admired Australian sporting team
- Inclusive and flexible work environment
- Fun and fast paced

Our club was born almost 150 years ago from hard work, grit and a relentless drive for success. We are rich in history and ambitious about the future. Together we share the journey and celebrate the wins. We are proud to be one of the leading football clubs, both on and off the field, in Australia.

When choosing a career with the Sydney Swans, you will join a team that stands up in the big moments. A team that is respectful, disciplined and courageous.

In 2022, the Swans will embark on an exciting and historic new era, with our AFLW team set to take the field for the first time, along with the development of a new world class training, administration and community HQ at the Royal Hall of Industries at Moore Park.

Supporting our 'one club' environment, the new Sydney Swans HQ will see our AFL, AFLW and QBE Sydney Swans Academy programs strive for success under the one roof.

We are committed to creating a supportive environment in which people feel connected to our football club and to each other. Therefore, we encourage applications from candidates of all backgrounds.

THE OPPORTUNITY

The Sydney Swans are accepting applications from suitably experienced individuals for the role of Sports Scientist & Athletic Development Coach for our AFL program.

This role will be responsible for supporting the design and implementation of the Sydney Swans physical preparation program in conjunction with the Head of Athletic Performance.

Core responsibilities for the position will include:

- Player monitoring including data capture, analysis and reporting with respect to GPS, training loads, and other physiological markers.
- Sports science innovation to support the athletic performance program.
- Strength coaching assistance along with strength monitoring, analysis and reports.
- Match day support to the AFL/VFL team which may include monitoring, GPS, physical preparation and recovery as well as other match day requirements.
- Providing coaches with reports and game analysis to support discussions around player development plans.
- Assistance with designated Swans Academy players or external athletes as prescribed by the Head of Athletic Performance.
- Facilitate partnerships with universities to support student placements.
- Mentor students and provide a curriculum for them to develop and thrive in an elite sporting environment.
- Attendance at relevant conferences and seminars as required.
