

Sydney Swans Systems & Cyber Security Administrator

WHY CHOOSE THE SWANS?

- Admired Australian sporting team
- Inclusive and flexible work environment
- Employee perks and benefits
- Work in a new [state-of-the-art facility](#)

Our club was born almost 150 years ago from hard work, grit and a relentless drive for success. We are rich in history and ambitious about the future. Together we share the journey and celebrate the wins. We are proud to be one of the leading football clubs, both on and off the field, in Australia.

When choosing a career with the Sydney Swans, you will join a team that stands up in the big moments. A team that is respectful, disciplined, and courageous. And one that has conviction. You will be part of something bigger.

Flexibility in hours, leave, location and dress translate to an environment where you can be at your best.

We are committed to creating a supportive environment in which people feel connected to our football club and to each other. Therefore, we encourage applications from candidates of all backgrounds.

THE PERKS

- Wellbeing programs to support healthy mind and body including access to gym facilities
- Special offers and discounts through our Corporate Partners
- Professional development support tailored to your goals
- Club memberships to enjoy games with your friends and family

THE OPPORTUNITY

The Sydney Swans are accepting applications from suitably experienced individuals for the Systems & Cyber Security Administrator position in our Operations Team. This role is responsible for maintaining the seamless operation and cyber resilience of our club's IT, including:

- Managing and upgrading the club's IT infrastructure, including servers, network equipment, cloud, backups, storage systems, AV systems and other technology
- Driving and implementing changes to IT systems to solve problems and increase efficiency and security
- Assisting the Head of IT with implementing innovative solutions to proactively mitigate Cyber Security threats and attack vectors leveraging industry frameworks such as Essential 8, NIST etc
- Conducting vulnerability patching with assistance from security and deployment tools
- Conducting regular systems and cyber security monitoring
- Providing technical guidance and support to end users and assist with escalations from our IT Support Analyst

WHAT WE'RE LOOKING FOR

- Exposure to Windows servers, storage systems, backups, Azure, 365, Active Directory, and virtualization technologies (e.g. Hyper-V)
- Experience with network administration (Fortinet exposure highly regarded)
- Understanding of cybersecurity practices/principles and a passion for Cyber Security
- Highly proficient with Windows & Apple operating systems (mobile and desktop)
- Relevant industry certifications such as Security+, Network+, NSE, CCNA and Microsoft certifications an advantage
- Strong interpersonal and communication skills with the ability to develop relationships and a customer service focus
- Excellent problem-solving skills, attention to detail, and most importantly a commitment to continuous learning and a passion for technology

Due to the nature of the industry, the ideal candidate must be flexible in their availability as extended hours and weekend work will be required for this role.

TO APPLY

To be considered for this role please submit a one-page cover letter that addresses:

- Why you are the ideal person for the role
- Why you want to join our team

Send the cover letter along with a copy of your CV to - hr@sydneyswans.com.au

Applications should be a maximum of four pages, including cover letter, and less than 5MB in size.

Applications close 2 February 2024

As we expect a high level of interest in the role, only those applicants short listed will be contacted.

The Sydney Swans do not accept applications from recruitment agencies.

Sydney Swans Limited is an equal opportunity employer.

Aboriginal and Torres Strait Islander candidates are encouraged to apply.

Applicants must be legally entitled to work in Australia.

The Sydney Swans are committed to providing a safe environment for children and young people. All staff must hold (or be willing to obtain) a Working with Children Check as part of their employment with us.
